

The Accelerated Career program offers qualified students a unique path to high school graduation. Students choose to simultaneously earn a high school diploma and a college Associate Degree, Technical Diploma, or two (2) Technical Certificates of Credit (TCC's) in a specific career pathway. Some of the required high school courses may be taken under the state-funded Dual Enrollment program. The Accelerated Career program is only available to students attending a public high school in Georgia.

Complete all nine (9) high school requirements:

- 2 English/Language Arts: American Lit/EOC & another English course
- 2 Math: Algebra I/or Coordinate Algebra & another Math course
- 2 Sciences: Biology/EOC & another Science course
- 2 Social Studies: Beginning with 2022-2023 freshmen, must include American Government and Personal Finance & Economics
