

**SOUTHERN REGIONAL**  
TECHNICAL COLLEGE

**Southern Regional Technical College-Moultrie**

**Program Effectiveness Data 2015-2016**

**Five-Year**

This is a five-year average of the number of student graduates who pass the American Registry of Radiologic Technology (ARRT) exam on the first attempt within six months of graduation. After collecting the data, we average the pass rates over a period of five year. The outcome demonstrated was 87%.

<b>YEAR</b>	<b>Number of Candidates</b>	<b>Percentage Passed</b>
<b>2011</b>	<b>7</b>	<b>100%</b>
<b>2012</b>	<b>7</b>	<b>100%</b>
<b>2013</b>	<b>8</b>	<b>89%</b>
<b>2014</b>	<b>4</b>	<b>75%</b>
<b>2015</b>	<b>6</b>	<b>100%</b>
<b>2016</b>	<b>10</b>	<b>60%</b>
<b>2016</b>	<b>7</b>	<b>86%</b>
<b>Average</b>		<b>87%</b>

## Program Completion Rate

The program has determined that 70% is its bench mark over a five year period. The number of students graduated divided by the number of students started will determine the retention rate. The retention rate is then averaged over a period of five years.

YEAR	Started	Graduated	Retention	Attrition
2011	20	11	55%	45%
2012	8	7	88%	12%
2013	9	9	100%	0
2014	9	4	44%	56%
2015	10	6	60%	40%
2016 May	14	10	71%	29%
2016 December	9	7	78%	22%
Average			71%	29%
