## Library Services Mission

We support the College's mission to provide access to learner-centered high-quality services; academic and occupational credit courses; associate degree, diploma, and technical certificate of credit programs; continuing education opportunities; business and industry training; and adult education programs. Through traditional and distance delivery methods at multiple instructional sites, the College supports workforce development serving primarily the citizens of Colquitt, Grady, Mitchell, Thomas, Tift, Turner, and Worth counties.

This orientation will give you an overview of services provided by the SRTC libraries. For more information please contact one of the librarians. Contact information is listed on the last slide of this presentation.

## Services

### Patrons

SRTC libraries are open for use to all currently enrolled students, faculty, staff, and area residents. The **circulation** of materials is available to currently enrolled students, faculty, staff, and area residents.

Distance learners should contact the library staff to get assistance in activating their library privileges and to obtain the **GALILEO password**.

Distance learners can obtain library materials through our document delivery service, which sends materials directly to their home. Items will be sent by the appropriate method to ensure a speedy delivery.

## Collections

Print collections are maintained on each Southern Regional College campus. Additionally, we maintain cooperative agreements with some local public libraries and with other area college libraries. These collections can be accessed through Interlibrary loan.

In addition to our print collection our patrons have access to encyclopedias, dictionaries, periodical databases, and approximately 28,300 e-books through GALILEO. These, along with other subscription based electronic tools, ensure that our patrons have access to the most current information available.

## Resources

### Resources

Many resources are available on our [web page](#) and through our Library [Catalog](#).

[GALILEO](#) is the gateway to databases, to full-text articles, and to e-books. It is available on-campus and off-campus. Contact a SRTC Librarian to get the password for off-campus access and bookmark this site to use as your gateway to the Internet.

## Services

### **ID Card**

The **SRTC ID Card** is issued by the library and serves as your library card. You will need the following information to obtain a library card:

- ✓ Name
- ✓ Birthdate
- ✓ Address
- ✓ Phone Number
- ✓ Student ID number (9000 #)

To obtain an ID, stop by your library. It only takes a few minutes to obtain your card and there is no fee for the first one. An ID card is required to use the computers in the library and to check out library materials.
