

SRTC Procedure: Mission Statement Review and Approval

Review and Approval

An annual review is conducted of the Southern Regional Technical College (SRTC) Mission statement. The President's Leadership Cabinet begins the review followed by the local Board of Directors. If changes are suggested for the College Mission statement, it is forwarded to the State Board of the Technical College System of Georgia for review, update, and final approval.

Publishing Guidelines

The College Mission statement is officially published in the Southern Regional Technical College Catalog and Student Handbook, in the Southern Regional Technical College Institutional Documents maintained on the College Intranet, and in the "Mission Statement and Strategic Plan" area on the Southern Regional Technical College web site in the "About SRTC" section. The current Mission statement follows in the next section of this procedure.

Mission (Approved by the State Board: October 2, 2014; Effective Date: July 1, 2015)

Southern Regional Technical College, a unit of the Technical College System of Georgia, is a public two-year college that provides access to learner-centered high-quality services; academic and occupational credit courses; associate degree, diploma, and technical certificate of credit programs; continuing education opportunities; business and industry training; and adult education programs. Through traditional and distance delivery methods at multiple instructional sites, the College supports workforce development serving primarily the citizens of Colquitt, Grady, Mitchell, Thomas, Tift, Turner, and Worth counties.

Responsibility

The Vice President for Institutional Effectiveness has the overall responsibility for ensuring this procedure is implemented.
