

SRTC Procedure: Counseling

Southern Regional Technical College (SRTC) believes counseling services can be an important partner in the educational process. Brief counseling services (4 to 6 weeks) are available to any student who requests or may be referred for assistance. Upon evaluation, students who need more than brief counseling may be referred to community resources.

Other counseling services include the following: a connection to college-wide resources; personal counseling to encourage self-exploration/discovery in a safe and confidential environment; and career counseling and strategies to achieve educational and occupational goals.

Individuals in need of counseling assistance are encouraged to make appointments when possible by contacting Student Affairs.
