

Summer 2017 Scholarships

Due April 14

- **Visit southernregional.awardspring.com**
Please use the latest version of your web browser.
- **Register your account using your primary email address**
You are not required to use your student email.
 - **Answer the questions in each tab:**
**General Information, Academic Information,
Letters of Recommendation, and Qualification Questions**
*Please upload your unofficial transcript (copied from banner web)
in the Academic Information section. Indicate the cumulative GPA listed on your transcript.
Letters of recommendation must be from professional sources and one must be from an
SRTC Faculty member.*
 - **Submit your general application**
The scholarships you are eligible to apply for are visible in your dashboard.
 - **Complete the follow up for all visible scholarships**
*You will be prompted to type an original essay (minimum 250 words)
and upload additional requirements of the scholarship.*
- **Submit your essay for each scholarship you are eligible to apply for**
After submitting an essay, your application for that specific scholarship is complete.

**Please note: you must enter your correct GPA, request and receive (via AwardSpring) a minimum of two professional letters of recommendation, and upload all the required information (original essay for each scholarship, residency documentation, and transcripts) in order to be considered for SRTC scholarships. Incomplete or late applications will not be reviewed. Essay duplication, plagiarism, or failure to meet the minimum 250 word requirement will result in disqualification.*
