ASSOCIATE of SCIENCE in NURSING (A.S.N.) - Generic
Spring Semester 2018 – January 2018

ACCEPTANCE PROCEDURES

To be admitted to the SRTC Associate of Science in Nursing (A.S.N.) – Generic program you must meet admission requirements as outlined by the College. **NOTE: Admission to the program is academically competitive.** Prospective students will be ranked by scores and the top candidates will be admitted to the Spring Semester 2018 (January 2018) class. Applications and admission requirements submitted after the posted deadlines will be held and reviewed for the next available class. Deadline for the January 2018 class is **August 31, 2017**. Students will be notified by mail as to their acceptance status once all file evaluations are complete. **Acceptance/Denial letters will be mailed out: September 29, 2017.**

ADMISSIONS REQUIREMENTS

1. Submit SRTC Admission Application and \$25 Application fee. (*Returning students are not charged a fee.*)
2. Submit proof of Age. (*Must be 18 years or older at the time of program entry.*) Either a valid state driver's license or birth certificate is acceptable.
3. Have **official** transcripts for high school diploma/GED **AND all** colleges and/or technical colleges (transferable credit or not) mailed to the SRTC Registrar's Office; Southern Regional Technical College; 800 Veterans Parkway North; Moultrie, Georgia 31788.
4. Have acceptable admission placement exam (APE) scores (no older than 5 years) OR have successfully completed with a "C" or better transferable English and college algebra (college algebra must not be older than five (5) years) from a regional or national accredited college, university, or other postsecondary institution recognized by the US Department of Education at the time the coursework was completed. These courses must be the equivalent to the entry-level English and math required for our Associate of Science in Nursing program. If the college algebra class is over five years, you will be required to retake the college algebra course.
5. Minimum prerequisite GPA requirement: A minimum GPA of 2.8 is required for the prerequisite courses in order to meet admission requirements for the program. If a pre-requisite course has been taken twice – only the last attempt is counted for prerequisite GPA purposes only. Successful completion of a prerequisite course means making a grade of 'C' or better. You may not attempt any prerequisite course more than twice within a five (5) year period. *NOTE: A grade of "W" does count as an attempt.* Courses exempted and articulated do not carry points. ASN Generic Program prerequisite courses are as follows: **BIOL 2113, BIOL 2113L, BIOL 2114, BIOL 2114L, ENG 1101, & MAT 1111.**

***Scoring for pre-requisite GPA:**
40 pts = 3.7 – 4.0
35 pts = 3.2 – 3.6
30 pts = 2.8 – 3.1

****While a "C" is a passing transferrable grade, too many "C" grades will not give you a 2.8 pre-requisite grade point average.****

NOTE: BIOL 2113/BIOL 2113L, BIOL 2114/BIOL 2114L, BIOL 2117/BIOL 2117L & MATH 1111 will not be considered if completed more than 5 years before admission to the A.S.N. program.

6. Have an overall (cumulative) GPA (Grade Point Average) of **2.5** using your GPA from all previous post-secondary colleges.

***Scoring for overall GPA:** 35 pts = 3.7 – 4.0
 30 pts = 3.2 – 3.6
 25 pts = 2.8 – 3.1
 20 pts = 2.5 - 2.7

IMPORTANT: Our 2.5 cumulative GPA requirement means that a GPA will be calculated using **EVERY course that was taken and used in GPA's at all of the applicant's previous colleges. See example below:*

Example: Sally has attended 3 colleges – her stats are as follows:

College	Quality Points	Credit Hours	GPA
VSU	45	18	2.50
TU	23	13	1.76
SRTC	65	24	2.70
TOTALS:	133	55	2.42

Sally's cumulative GPA will not meet the 2.50 requirement – therefore she will not be considered for the upcoming class until she takes additional classes to improve her cumulative (overall) GPA.

7. **Additional points** may be earned by successfully completing the following courses (minimum grade of "C" – 2.0 GPA required) before posted deadlines.

- a. PSYC 1101 - Introductory Psychology - **5 points**;
- b. BIOL 2117 & BIOL 2117L - Introductory Microbiology & Lab – **5 points**;
- c. Humanities /Fine Arts course –**5 points**;
- d. Additional course required (as approved by program advisor) – **5 points**;
- e. COMP 1000 - Introduction to Computers – **5 points**;
- f. ALHS 1090 - Medical Terminology for Allied Health Sciences – **5 points**;
- g. NAST 1100 - Nurse Aide Fundamentals – **5 points**;
- h. PHLT 1030 - Introduction to Venipuncture – **5 points**;

NOTE: Additional points will not be awarded for courses in italics that were completed more than 5 years before admission to the A.S.N. program.

- i. Associate Degree or higher – **5 points**

*******POSSIBLE TOTAL: 120 points*******

8. All A.S.N applicants are required to take & attain the required score on the A.S.N. Pre-Admission Assessment (HESI) exam, prior to being accepted into the A.S.N. program. The A.S.N. Pre-Admission Assessment (HESI) exam is composed of the following sections: Math, Science (Anatomy & Physiology), English (Vocabulary, Grammar, and Reading Comprehension) and two Style/Profile sections. Applicants are strongly encouraged not to take the HESI exam until completing A&P I & II OR at least complete A&P I and some of A&P II before sitting for the exam. Applicants must also have a completed file prior to taking the HESI exam (excluding current college coursework).

Applicants will be allowed **two** attempts to pass the English, Math and Science (Anatomy & Physiology) sections with a composite score of "75" on each section. Any applicant that is unsuccessful on the **first** HESI exam (in any section) is strongly encouraged to remediate prior to re-taking that section(s) of the HESI exam. Several copies of the HESI ADMISSION ASSESSMENT Exam Review, 4th Edition (ISBN # 978-0-323-35378-6) book are on reserve in all SRTC Libraries for student use. However, the HESI review book is also available for purchase online at www.elsevier.com. The HESI exam score is good for three years.

Any applicant that does not attain a composite score of “75” on one or more sections of the HESI assessment exam after two attempts, will not be considered for admission into the A.S.N. program. However, applicants can re-apply to the A.S.N. program after waiting one year before re-applying to the A.S.N. program. At such time, the applicant will retake the A.S.N. Pre-Admissions assessment exam and meet the required scores for entry into the A.S.N. program. The applicant will again be allowed two attempts to meet the qualifying A.S.N. Pre-Admission HESI Assessment exam scores.

NOTE: Students will be required to complete Health Examinations and a Criminal Background report upon acceptance to the program. A current American Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted.

All students are subject to the competitive admissions selection process for these programs. The number of students selected for any given semester is based on the number of available clinical slots in the program as a whole and may vary by campus and semester. However, slots are filled from the highest grade point averages downward until the maximum enrollments are reached. There is no guarantee that a higher GPA will progress within a particular semester as all slots are competitive.

Tiebreaker: In the event of a tie in the ranking, the student’s current HESI score will be used as the tiebreaker. In the event that a student has taken the HESI exam more than once, the current HESI scores will be averaged and the average of the two scores will be used in the tiebreaker process.

OFFICE OF FINANCIAL AID

1. Know the School Year

Identify the school year you wish to attend from the chart below. This will ensure you complete the correct FAFSA for the terms you wish to attend.

2016-2017	Fall 2016	Spring 2017	Summer 2017	Use 2015 Income Information
2017-2018	Fall 2017	Spring 2018	Summer 2018	

2. Collect Documents

Collect all necessary financial documents. Examples include Federal Tax Returns, W-2s, 1099s, unemployment statements and untaxed income statements, such as child support payments. Students are required to provide their financial information on the FAFSA and, if applicable, information from their spouse, parent or step-parent.

3. Create a FAFSA User ID and Password

All students should create a FAFSA user ID and password. Visit <https://fsaid.ed.gov> to create your ID. Please make a note of your FAFSA user ID and password, as you will need this information each time you login. For dependent students, both the student and a parent need a FAFSA User ID and password to electronically sign the FAFSA.

4. Visit www.fafsa.gov to complete your FAFSA, select the correct School Year

Once you have created your user ID and password, you can begin the application. Refer to the chart in Step 1 to ensure you select the correct school year for the terms you wish to attend. When you are presented with the option to retrieve your IRS tax data, we strongly encourage you to USE THIS OPTION which will populate your FAFSA with the tax data on file with the IRS. This may significantly reduce the time necessary to finalize your financial aid award. Dependent students should use the option for themselves and their parents.

However, not all students can use the IRS data retrieval tool for a variety of different reasons, so if you are unable to use the IRS data retrieval tool, you would need to manually enter your tax data as it appears on your tax form. **SRTC's school code is 005615** for all locations.

Do I need to provide parent information?

If you can answer 'Yes' to one of the questions below, you do NOT need parent information to complete your FAFSA.

Are you 24 years of age?

Are you married?

Are you a Veteran?

Do you have legal dependents that you financially support?

If you cannot answer 'Yes' to one of the above questions, you MUST have parental information to complete your FAFSA. If extenuating circumstances exist where parental information is unavailable, the dependent student should contact the Financial Aid Office.
