Notification

Students will be notified at the end of June of their acceptance into the program contingent on their successful completion of the non-competitive pre-reqs by the end of Summer semester. The number of available openings in the occupational courses varies based on the number of clinic slots in the program as a whole and

may vary by campus and semester. Openings will be filled from the highest GPA. Program accreditation sets a specific number of admission seats for the Surgical Technology competitive admission program.

Any student not admitted into the program may re-apply for the following year.

***NOTE:** Students will be required to complete Health Examinations and a Criminal Background report upon acceptance to the occupational part of the program. A current American Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted.*
