Dear Dr. Deibert:

It is my pleasure to inform you that the NLNAC Board of Commissioners approved the continuing accreditation of your nursing program at its meeting on February 25-26, 2010. The Board of Commissioners granted the associate nursing program continuing accreditation and scheduled the next evaluation visit for Fall 2017. The details of the accreditation visit and the decision put forth by the Commission have been sent to the program's nurse administrator.

The National League for Nursing Accrediting Commission and its predecessor, the National League for Nursing, have stood for standards of excellence for all types of nursing education for over 50 years. By choosing to be accredited by NLNAC, you and your faculty have demonstrated your commitment to the highest standards of nursing education. Your successful accreditation shows that your school does indeed meet these high standards.

Congratulations on this outstanding achievement. We look forward to continued successes for your nursing program.

If you have questions about this action or about Commission policies and procedures, please write or call me or a member of the professional staff.

Sincerely,

Sharon J. Tanner, EdD, RN
