Sherry H. Harrison, CMA (AAMA), AAS
Medical Assisting Program Chair
Southern Regional Technical College
15689 US Highway 19 North
Thomasville, GA 31792-9960

Dear Ms. Harrison:

The Medical Assisting Education Review Board [MAERB] has approved the application of the **Southern Regional Technical College (Thomasville, Georgia)** Medical Assisting program for accreditation of the following additional campus under the Multiple Campus Policy:

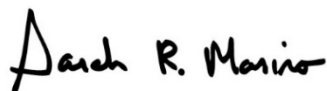

- **Veteran's Parkway Campus (Moultrie, GA) and Tifton Campus (Tifton, GA)**

Graduates of the **Diploma** program of the Moultrie, GA and Tifton, GA campus continue to be eligible to sit for the CMA (AAMA) national certification examination. However, they should use the code for the Thomasville campus (**1212**) from now on. In addition, the program will be using the Thomasville ARF from now on which will be due every February. The ARF that will be due in February 2017 will need to include combined data for all 3 campuses for the 2015 cohorts on all tabs. All MAERB correspondence relating to the Veteran's Parkway and Tifton campuses will be sent to the administration at the Thomasville campus.

Please note that, according to MAERB policy, multiple campus applications require a processing fee of \$500. Attached is an invoice for \$500, with payment due to our office by **September 23, 2016**.

The MAERB commends the medical assisting program for its commitment to quality education for medical assistants. Please contact me at 1.800.228.2262 x127, if I can be of further assistance.

Sincerely,

Sarah R. Marino, PhD, Executive Director, MAERB
