RE: Program #04350000
Current Accreditation Status: Initial 3 Years
Most Recent Site Visit: 05/98
Agenda: R-D

Dear Dr. Moye:

The Joint Review Committee on Education in Radiologic Technology (JRCERT) appreciated the opportunity to evaluate the radiography educational program sponsored by Moultrie Area Technical Institute. Specialized accreditation awarded by the JRCERT offers institutions significant value by providing peer program evaluation and by assuring the public of quality professional education in the radiologic sciences.

The continuing accreditation status of the certificate program was considered at the October 1998 meeting of the Joint Review Committee on Education in Radiologic Technology. The program was evaluated according to the Standards for an Accredited Educational Program in Radiologic Sciences (1997).

THE JRCERT AWARDS ACCREDITATION FOR A PERIOD OF FIVE YEARS.

The maximum duration that may be awarded by the Joint Review Committee on Education in Radiologic Technology in this category is eight years.

The U.S. Department of Education recognizes the JRCERT as the national agency for the accreditation of programs for the radiographer and radiation therapist. Accordingly, the JRCERT is responsible for all accreditation actions.

The attachment to this letter identifies the number of students per first clinical term, as provided by the program, for the institutions recognized as clinical education settings. It is the responsibility of the sponsoring institution to provide a copy of this letter to appropriate personnel at the clinical education settings.

Chairman
Jordan B. Renner, M.D.
Department of Radiology, CB #7510
School of Medicine
University of North Carolina
Chapel Hill, NC 27599-7510
(919) 966-2886

First Vice Chairman
Leroy R. Sparks, Ed.D., R.T.(R)
Professor Emeritus
City University of New York
3051 N.E. 48th Street, Apt. 409
Fort Lauderdale, FL 33308
(954) 491-8895

Second Vice Chairman
Janis Sitewing, M.S., R.T.(R)(CV)
Pima Medical Institute
1627 Eastlake Ave. East
Seattle, WA 98102
(206) 322-6100

Secretary/Treasurer
Paul A. Larson, M.D.
Radiology Associates of the Fox Valley
400 Ceape Avenue
Oshkosh, WI 54901
(920) 236-3251

Directors
Sarah S. Baker, M.Ed., R.T.(R), FASRT
Indiana University School of Medicine
School of Allied Health Sciences
Radiologic Sciences Program
Indianapolis, IN 46202-5111
(317) 274-5253

Nadia Bugg, Ph.D., R.T.(R), FAERS
Midwestern State University
3410 Tapp Boulevard
Wichita Falls, TX 76308-2099
(940) 397-4571

Danna Kay Dunn, M.S., R.T.(T)
Indiana University School of Medicine
School of Allied Health Sciences
Radiation Therapy Program
Indianapolis, IN 46202-5119
(317) 274-1302

D. Goy Lancaster, M.S.
Assistant County Administrator
315 Court Street
Clearwater, FL 34616
(813) 464-3485

V. Amod Saxena, M.D., FRCR, FACR
Rush Presbyterian St. Luke's Medical Center
Department of Radiation Oncology
Chicago, IL 60612
(312) 942-5751

Executive Director
Marilyn Foy, M.A., R.T.(R)

The JRCERT requests a report by **November 1, 1999**, documenting progress toward achieving compliance with the following **STANDARDS**:

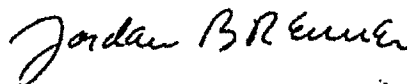

- 1.7 Document that the program periodically evaluates and revises its mission statement and goals.
- 11.2 Document that the program has qualitative outcomes consistent with its mission and goals.
- 11.3 Assure that the program develops and implements outcome assessment procedures to evaluate the achievement of the program's mission and goals.
- 11.5 Assure that the program correlates evaluation and planning processes to identify priorities for improvement.
- 11.7 Assure that that program monitors planning activities and evaluation processes to document ongoing program effectiveness and satisfaction.

The JRCERT will consider extending the award of accreditation to Eight Years, or maintaining or reducing accreditation without an additional site visit, following receipt and evaluation of the requested progress report.

As required by the United States Department of Education and consistent with JRCERT Policy 10.200, the program must document compliance with the **STANDARDS** within 24 months from the date of this accreditation action.

The Joint Review Committee on Education in Radiologic Technology Directors and staff congratulate you and the program faculty and wish you continued success in your efforts to provide a quality educational program. If we can be of further assistance, do not hesitate to contact us.

Sincerely yours,

Jordan B. Renner, M.D.
