ASSOCIATE of SCIENCE in NURSING (A.S.N.) Generic Program
ACCEPTANCE PROCEDURES

To be admitted to the SWGTC Associate of Science in Nursing (A.S.N.) – Generic program you must meet admission requirements as outlined by the College. NOTE: Admission to the program is academically competitive. Prospective students will be ranked by score and the top candidates will be admitted to the Spring Semester 2016 (January 2016) class. Applications and admission requirements submitted after the posted deadlines will be held and reviewed for the next available class. Deadline for the January 2016 class is OCTOBER 1, 2015. Students will be notified by mail as to their acceptance status once all file evaluations are complete. Acceptance/Denial letters will be mailed out: NOVEMBER 1, 2015.

ADMISSIONS REQUIREMENTS

1. Submit SWGTC Admission Application and $20 Application fee. (If applicable, returning students are not charged a fee.)

2. Submit proof of Age. (Must be 18 years or older at the time of program entry.) Either a valid state driver’s license or birth certificate is acceptable.

3. Have official transcripts for high school diploma/GED AND all colleges and/or technical colleges (transferable credit or not) mailed to the SWGTC Admissions Office. Southwest Georgia Technical College, 15689 US Hwy 19 North, Thomasville, Georgia 31792

4. Have acceptable Admission Placement Exam (APE) scores (no older than 5 years) OR have successfully completed with a “C” or better transferable English and college algebra (College algebra must not be older than five (5) years) from a regional or national accredited college, university, or other postsecondary institution recognized by the US Department of Education at the time the coursework was completed. These courses must be the equivalent to the entry-level English and math required for our Associate of Science in Nursing program. If the college algebra class is over five years, you will be required to take the Admissions Placement Exam (APE). If the algebra score is program ready, then the applicant will enroll in college algebra. If the algebra score does not meet the program ready score, then the applicant will be required to enroll in a Learning Support algebra course before taking the college algebra course.

5. Minimum prerequisite GPA requirement: A minimum gpa of 2.8 is required for the prerequisite courses in order to meet admission requirements for the program. If a pre-requisite course has been taken twice – only the last attempt is counted for prerequisite gpa purposes only. Successful completion of a prerequisite course means making a grade of ‘C’ or better. You may not attempt any prerequisite course more than twice within a five (5) year period. Courses exempted and articulated do not carry points. ASN Generic Program prerequisite courses are as follows: BIOL 2113, BIOL 2113L, BIOL 2114, BIOL 2114L, ENG 1101, & MAT 1111.

*Scoring for pre-requisite GPA:*

40 pts = 3.7 – 4.0
35 pts = 3.2 – 3.6
30 pts = 2.8 – 3.1

**While a “C” is a passing transferrable grade, too many “C” grades will not give you a 2.8 pre-requisite grade point average. You can have only ONE “C” grade in your four (4) pre-requisite courses and still meet the 2.8 pre-requisite grade point average requirement.**

NOTE: BIOL 2113/BIOL 2113L, BIOL 2114/BIOL 2114L, BIOL 2117/BIOL 2117L & MATH 1111 will not be considered if completed more than 5 years before admission to the A.S.N. program.
6. Have an overall (cumulative) GPA (Grade Point Average) of **2.5** using your GPA from all previous post-secondary colleges.

   * **Scoring for overall GPA:**
     - 35 pts = 3.7 – 4.0
     - 30 pts = 3.2 – 3.6
     - 25 pts = 2.8 – 3.1
     - 20 pts = 2.5 – 2.7

   *IMPORTANT: Our 2.5 cumulative GPA requirement means that a GPA will be calculated using EVERY course that was taken and used in GPA’s at all of the applicant’s previous colleges. See example below:

   Example: Sally has attended 3 colleges – her stats are as follows:

<table>
<thead>
<tr>
<th>College</th>
<th>Quality Points</th>
<th>Credit Hours</th>
<th>GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>VSU</td>
<td>45.3</td>
<td>18</td>
<td>2.51</td>
</tr>
<tr>
<td>TU</td>
<td>23.0</td>
<td>13</td>
<td>1.76</td>
</tr>
<tr>
<td>SWGTC</td>
<td>65.0</td>
<td>24</td>
<td>2.70</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
   **TOTALS:** | **133.3** | **55** | **2.42** |

   Sally’s cumulative GPA will not meet the 2.50 requirement – therefore she will not be considered for the upcoming class until she takes additional classes to improve her cumulative (overall) GPA.

7. **Additional points** may be earned by successfully completing the following courses (minimum grade of “C” – 2.0 GPA required) before posted deadlines.

   a. PSYC 1101 - Introductory Psychology - **5 points**
   b. BIOL 2117 & BIOL 2117L - Introductory Microbiology & Lab – **5 points**
   c. Humanities /Fine Arts course (ARTS 1101; ENGL 2130; HUMAN 1101 OR MUSC 1101) – **5 points**
   d. Additional course required (as approved by program advisor) – **5 points**
   e. COMP 1000 - Introduction to Computers – **5 points**
   f. ALHS 1090 - Medical Terminology for Allied Health Sciences – **5 points**
   g. NAST 1100 - Nurse Aide Fundamentals – **5 points**
   h. PHLT 1030 - Introduction to Venipuncture – **5 points**

   **NOTE:** Additional points will not be awarded for courses in italics that were completed more than 5 years before admission to the A.S.N. program.

   i. Associate Degree or higher – **5 points**

   ****************************POSSIBLE TOTAL: 120 points****************************

8. All A.S.N. applicants who require Math Learning Support courses must pass each course within two (2) attempts. This course requirement is inclusive of all colleges that an applicant has attended and holds a five (5) year time limit. Therefore, any applicant who has had two (2) unsuccessful attempts at the same math Learning Support course, within the last five (5) years, will not be eligible for program consideration. The A.S.N. faculty will advise the applicant/student that they may apply to the PN program and upon successful completion of the PN program; he/she may re-apply to the LPN-A.S.N. Bridge Track program.

   NOTE: Even if an applicant was unsuccessful in the same Learning Support math course goes on to pass a College Algebra course with a “C” grade or better, the Learning Support math class would still be subject to the five (5) year time limit.

9. All A.S.N applicants are required to take & attain the required score on the A.S.N. Pre-Admission Assessment (HESI) exam, prior to being accepted into the A.S.N. program. The A.S.N. Any applicant that does not attain a composite score of “75” on one or more sections of the HESI assessment exam after two attempts, will not be considered for admission into the A.S.N. program. - If you have already submitted a FAFSA for another institution for 2015-2016, simply add our school code (005615) to your current application at www.fafsa.gov.
- The priority deadline for submitting your FAFSA for spring semester 2016 is XXXXXXXX. Applications submitted after this date will still be processed, but the student should be prepared to self-pay tuition and fees. If your financial aid is processed after you pay, you may be eligible for reimbursement.

Southwest Georgia Technical College does not participate in any federal student loan programs.

Students who have received a Bachelor’s Degree will not be eligible for any financial aid from SWGTC. You are encouraged to apply for SWGTC Foundation Scholarships.

The main types of financial aid available at SWGTC for the A.S.N. program are the federal Pell Grant and the HOPE Scholarship for students who meet eligibility requirements.

Pell Grant eligibility is based on household income and household size. Pell Grant funds may be applied towards tuition, fees, and book expenses. Any remaining award amounts after tuition and fees are paid will be refunded to the student.

HOPE Scholarship eligibility will be determined for all students accepted into the A.S.N. program. In order to have your eligibility evaluated, you must submit official transcripts from all post-secondary institutions ever attended to the Registrar’s office at SWGTC. To receive HOPE Scholarship, you must meet residency and GPA requirements. For more information on HOPE Scholarship, please review the SWGTC HOPE brochure and/or the SWGTC website and Catalog/Handbook.

All students are responsible for knowing the financial aid requirements and policies. This information is available on pages 43-53 of the 2014-2015 SWGTC Catalog/Student Handbook.

For more information, call (229) 225-5036 or email financialaid@southwestgatech.edu, or visit www.southwestgatech.edu/finaid to apply online.
