

Graduation Rate

The SRTC 4-year average Right-to-Know Graduation Rate was **38%** for first-time, full-time students based on 2013 IPEDS cohort group of 290.

SRTC students attend this College for a variety of reasons. While many attend with the intention of graduating from a program of study, many desire only to upgrade their skills and attain employment. Georgia's strong demand for qualified employees place a high premium on the skill possessed by SRTC students. This demand results in an increasingly high number of our students being hired prior to graduation.
