OFFICE OF FINANCIAL AID

Your 2018–2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal regulations require that we collect certain information from you (and your spouse, if married) before awarding Federal Student Aid. If there are differences between your application information and your documentation, we will submit an electronic correction on your behalf to update your FAFSA. **You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Aid Office for processing. NOTE: We may request additional information at any time during the verification process or if you make changes to your FAFSA in the future.**

Please submit this worksheet and any requested documentation to the Financial Aid Office at either the Bainbridge, Moultrie, Thomasville, or Tifton campuses. You may provide this information to us in person, by mail, or by fax. Mailing addresses and fax numbers for each campus are listed on the back of this form.

PLEASE NOTE: The verification process may take two to three weeks once all required documentation and signatures have been received by the Financial Aid Office. If you have questions regarding this form or the verification process, please contact the Financial Aid Office at finaid@southernregional.edu or call one of our offices.
