What is Interlibrary Loan?

Interlibrary Loan borrows books and obtains copies of articles from other libraries for eligible patrons in order to support the educational and research needs. We also lend materials and send copies of articles to other Libraries. If you find resource that you aren't able to access locally please contact your nearest SRTC librarian, and we will see if it is available through Interlibrary loan.

The libraries also maintain cooperative agreements with local public and area college libraries, and any Georgia Technical School. The agreement permits currently enrolled students access to their library and allows the student to borrow materials using a validated ID card .
