**PSB Testing** - $25

Students who have met the pre-requisite GPA will be **notified** to take the PSB in June.

Required score:  150 raw score and 35 on Vocational Adjustment section

- A 35 or higher on the Vocational Adjustment section.
- Obtaining a cumulative score of 150 in the following areas: academic aptitude, information in the natural sciences, spelling, judgment and comprehension, and the vocational adjustment index.
- The highest of each PSB section will be used.
- The PSB test is good for two years.

**Notification**

Students will be notified by mail at the end of June of their acceptance into the program contingent on their successful completion (“C” or higher) of the non-competitive pre-requisites by the end of Summer semester.

The number of available openings in the occupational courses varies based on the number of clinic slots in the program as a whole and may vary by campus and semester. Openings will be filled from the highest combined score of GPA and PSB. In the event of a tie, the student most recent PSB with the highest score will be admitted.

Program accreditation sets a specific number of admission seats for the Radiologic Technology competitive admission program.

Any student not admitted into the program may re-apply for the following year.

**NOTE:** Students will be required to complete Health Examinations and a Criminal Background report upon acceptance to the occupational part of the program. A current American Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted
