In order to re-establish Satisfactory Academic Progress (SAP) after an Appeal is approved, some students must be placed on an Academic Plan. This is required by Federal Regulations for SAP. Please review the information below and sign to indicate that you have read and understand the requirements of your Academic Plan Agreement.

### Satisfactory Academic Progress

Federal Regulations require that students complete two-thirds (66.66%) of their attempted coursework, maintain a cumulative 2.0 (C) Grade Point Average (GPA), and complete their program of study within 150% of the time normally required to complete the program in order to stay eligible for continued financial aid.

Because it has been determined that the above student cannot realistically come into compliance with the Satisfactory Academic Progress (SAP) policy within one term, establishing an Academic Plan is required. The following requirements must be met for the student to receive aid for subsequent terms:

- Students must maintain a GPA of a 2.0 or better for each term until his/her cumulative GPA reaches a 2.0, at which time the GPA requirement for SAP will be met.
- Students must complete two-thirds (66.66%) of the coursework attempted each term while under the Academic Plan.
- Students must take coursework that is required for his/her declared program of study.

### Other Requirements of Academic Plan from Appeals Committee:

If at the end of any term under the Academic Plan, it is determined that the student did not meet the above criteria, the student will be placed back on financial aid suspension and will remain on financial aid suspension until he/she is in compliance with the Satisfactory Academic Progress policy.

### Student Certification

I have read and understand the requirements for the Academic Plan. I understand that all above criteria must be met each term for me to remain eligible to receive financial aid. I understand that if I am placed back on financial aid suspension I will be responsible for the payment of all tuition and fees.
