Associate of Science in Nursing (ASN) Generic Program
Fall Semester 2027 (August 2027)
Competitive Admission Procedures

For admission into the occupational courses of the SRTC Associate of Science ASN Generic Program, requirements as outlined by the College must be met. Admission to the program is academically competitive.

If needed, prospective students will be ranked by several factors and the top candidates will be admitted to the Fall Semester 2027 (August 2027) class. Applications and admission requirements submitted after the posted deadlines will be held and reviewed for the next available class. Deadline for the August 2027 class is **Thursday, May 27, 2027**. Students will be notified by mail regarding their acceptance status once all file evaluations are complete.

Acceptance/Denial letters will be mailed out Monday, June 21, 2027.

Admissions Requirements:

1. Submit an SRTC admission application. Applications are available online through the college website by clicking APPLY located on the blue bar or using the following: https://southernregional.my.site.com/apply.

2. Submit proof of age. *(Must be 18 years or older at the time of program entry).* Either a valid state driver's license or birth certificate is acceptable.

3. Submit **official** transcripts for high school diploma/GED/HiSET® **AND all** colleges and/or technical colleges (transferrable credit or not) mailed to the SRTC Registrar's Office; Southern Regional Technical College, 800 Veteran's Parkway North, Moultrie, GA 31788.

4. Submit acceptable Admission Placement Exam scores OR have successfully completed with a "C" or better transferable degree-level English and Math from a regional or national accredited college, university, or other postsecondary institution recognized by the US Department of Education at the time the coursework was completed. These courses must be equivalent to the entry-level English and math required for our Associate of Science in Nursing Program. Acceptable Admissions Placement Exams include: ACT, SAT, PSAT, ACCUPLACER/Companion (Classic and Next Generation), GED®, Georgia Milestones, HiSET®, High School GPA, COMPASS and ASSET. A student possessing an associate's degree or higher from a regionally accredited institution will be exempt from the placement requirements.

5. ASN applicants are required to complete all highlighted prerequisite courses listed below by the May 27, 2027 deadline. Highlighted prerequisite courses must meet the **3.0 GPA** requirement. If a prerequisite course has been taken more than once, only the last attempt is counted for prerequisite GPA purposes. Grades of "D, F, and W" are considered unsuccessful attempts. Courses exempted or articulated do not carry GPA points.

Prerequisite GPA courses are as follows:

ENGL 1101 Composition and Rhetoric (3 Hours)
Any Degree-Level Math (3 Hours)
BIOL 2113 Anatomy & Physiology I (3 Hours)
BIOL 2113L Anatomy & Physiology I Lab (1 Hour)
BIOL 2114 Anatomy & Physiology II (3 Hours)
BIOL 2114L Anatomy & Physiology II Lab (1 Hour)

The following prerequisite courses must be completed with a "C" or better by the END of summer semester 2027:

PSYC 1101 Introductory Psychology (3 Hours)
General Education Elective (3 Hours)
Humanities/Fine Arts (3 Hours)
COLL 1500 Student Success (3 Hours) – *this course is exempted ONLY with a completed associate's degree or higher*
BIOL 2117 Intro Microbiology (3 Hours)
BIOL 2117L Intro Microbiology Lab (1 Hour)

The following link is available to calculate a prerequisite GPA:
https://www.calculator.net/gpa-calculator.html

NOTE: BIOL 2113, BIOL 2113L, BIOL 2114, BIOL 2114L, BIOL 2117, BIOL 2117L, and any degree-level math will not be considered if completed more than 5 years before admission to the ASN Program.

Failure to have completed ALL nursing prerequisites will result in a delay in your acceptance date to the program.

6. All ASN applicants are required to take and attain the required score on an in-person Pre-Admission Assessment (TEAS) exam, prior to being accepted into the ASN Program. The ATI TEAS (Test of Essential Academic Skills) is a timed exam that includes questions in the following areas: English, Math, Reading and Science. Applicants are strongly encouraged not to take the TEAS exam until completing A&P I and II OR at least completing A&P I and some of A&P II. Applicants must also have a completed file prior to taking the TEAS exam (excluding current college coursework).

   The adjusted individual total TEAS score requirement for the ASN Generic program is 60%. Applicants will be allowed **two** attempts within a 12-month period to meet the 60% required score. Any applicant that is unsuccessful on the first TEAS exam is strongly encouraged to remediate prior to retaking the TEAS exam. Several copies of the 2024-2025 ATI TEAS Study Manual are in our SRTC Libraries. The TEAS study book can also be purchased online at https://atitesting.com/teas/study-manual.

   Any applicant that does not attain the required TEAS score of 60% after two attempts will not be considered for admission into the ASN Program. However, applicants can reapply to the ASN Program and take the ASN Pre-Admission exam again after waiting one year. At such time, the applicant will be allowed two attempts to meet the qualifying ASN Pre-Admission TEAS Assessment exam scores.

   The exam score is good for two years from the month and year of the exam.

7. **Any applicant who believes he/she will have all the criteria met by the fall 2027 deadline of May 27, 2027, must contact Mrs. Sandra Reeves (229-225-4095) by the deadline to make sure she has your name on the list of students wanting to be considered for the program.**

8. Applicants are subject to the competitive admissions selection process for this program. The number of applicants admitted for any given semester is based on the number of available clinical spaces in the program as a whole and may vary by campus and semester.

   If an additional competitive process is necessary due to the number of qualified applications, the following additional point system will be used:

   A total score will be calculated using 60% - Prerequisite GPA and 40% - TEAS Total Score.

   Tiebreaker: In the event of a tie in the ranking, the student's original college nursing application date (with no break in enrollment) will be used.

   NOTE: Students will be required to complete Health Examinations and a Criminal Background report upon acceptance to the program. A current American Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted.

Request for Graduation (Associate of Science in Nursing)					**Date:**		
Total Credits Needed to Graduate = 72							

I acknowledge that I have received counseling and advisement as to the preferred course sequencing and acknowledge that it is my responsibility to ensure adherence to the schedule. Additionally, I am aware that after entering RNSG 1920, I have three years to complete the program.

A grade of "C" or above is required for successful completion of any course. However, a semester GPA of 2.0 must be maintained to remain in the program. See the Student Handbook.

I understand that if I vary from the prescribed course sequence listed above, I may be unable to graduate within the regular program length and may not be able to schedule courses as needed.

SOUTHERN REGIONAL TECHNICAL COLLEGE

Applying for Financial Aid

finaid@southernregional.edu

SRTC School Code: 005615

1. **Know the School Year**
   Choose the school year you wish to attend from the chart below. This will ensure you submit the correct FAFSA for the terms you wish to attend.

FAFSA available 10/01/25	2026-2027	Fall 2026	Spring 2027	Summer 2027	Use 2024 Income Information

2. **Go to studentaid.gov to complete your FAFSA. Select FAFSA Form. From the dropdown box, click on Complete the FAFSA Form.** Once you (and your parent) have your FSA User ID and Password, you can begin your Free Application for Federal Student Aid (FAFSA). Refer to the chart above to select the correct school year for the terms you wish to attend.

3. **Log In/Create a Federal Student Aid (FSA) User ID and Password FSA Customer Service: 1-800-433-3243 (1-800-4-FEDAID)** All students should create a FSA User ID and Password. For dependent students, a parent will also need to create an FSA User ID and Password. Your FSA User ID and Password serves as your electronic signature on the FAFSA, and will be used each year to renew your application.

4. **Provide Consent**
   All contributors to the FAFSA (student, spouse, parent and parent's spouse (for dependent students)) must provide "consent" on the FAFSA for the IRS to provide tax return information directly to the FAFSA Processing Center. If consent is not given, the student will **NOT** be eligible for federal financial aid. If the student and spouse or parent and spouse filed taxes for the relevant tax year as married, filing jointly, the spouse should not need to provide consent. Each contributor on the FAFSA must have their own unique FSA User ID and password.

Am I required to provide parent information?

If you can answer "Yes" to one of the questions below, you do NOT need parent information to complete your FAFSA.

- Are you 24 years of age?
- Are you married? (If married, you must include your spouse's income information)
- Do you have children or legal dependents that you financially support?
- Are you active duty military or a Veteran?

If you cannot answer "Yes" to one of the above questions, you MUST include parental information to complete your FAFSA. If extenuating circumstances exist where parental information is unavailable, the dependent student should contact the Financial Aid Office.

Summer Semester 2027	April 15, 2027	Summer Semester 2028	April 15, 2028

Note: All required financial aid documents must be submitted by the Priority Dates. Financial aid applications/documents submitted after priority dates will be processed, but funds may not be available on the first day of classes to apply towards tuition and fees or to purchase books. Students submitting financial aid applications after the priority date should be prepared to self-pay fees. Once financial aid is awarded, a student may be eligible for reimbursement.
