# Associate of Science in Nursing (ASN) Bridge Program

## Spring Semester 2026 (January 2026)

### Competitive Admission Procedures

For admission into the occupational courses of the SRTC Associate of Science in Nursing ASN Bridge Program, requirements as outlined by the College must be met. Admission to the program is academically competitive.

If needed, prospective students will be ranked by several factors and the top candidates will be admitted to the Spring Semester 2026 (January 2026) class. Applications and admission requirements submitted after the posted deadlines will be held and reviewed for the next available class. Deadline for the January 2026 class is **Thursday, September 25, 2025**. Students will be notified by mail regarding their acceptance status once all file evaluations are complete.

**Acceptance/Denial letters will be mailed out Monday, October 20, 2024.**

#### Admissions Requirements

1. Submit SRTC Admission Application and pay the one-time \$25 Application fee. Applications are available online through the college website by clicking the blue box marked "APPLY NOW" or using the following: <https://mysouthernregional.force.com/apply>
2. Submit proof of age. (*Must be 18 years or older at the time of program entry*). Either a valid state driver's license or birth certificate is acceptable.
3. Submit **official** transcripts for high school diploma/GED **AND ALL** colleges and/or technical colleges (transferable credit or not) mailed to the SRTC Registrar's Office; Southern Regional Technical College, 800 Veteran's Parkway North, Moultrie, GA 31788.
4. Submit a copy of an active unencumbered LPN License.
5. All applicants applying for the LPN- RN Bridge program must have at least 6 months of in-field LPN work experience. Documentation from employer must be received by the END of our fall semester 2024.
6. Submit acceptable Admission Placement Exam scores OR have successfully completed with a "C" or better transferable degree-level English and Math from a regional or national accredited college, university, or other postsecondary institution recognized by the US Department of Education at the time the coursework was completed. These courses must be equivalent to the entry-level English and math required for our Associate of Science in Nursing Program. Acceptable Admissions Placement Exams include: ACT, SAT, PSAT, ACCUPLACER (Classic and Next Generation), GED, Georgia Milestones, HiSET, High School GPA, COMPASS and ASSET. A student possessing an associate's degree or higher from a regionally accredited institution will be exempt from the placement requirements.
7. LPN-RN Bridge applicants are required to complete all **highlighted pre-requisite courses** listed below by the September 25, 2025 deadline. **Highlighted prerequisite courses** must meet the **3.0 GPA** requirement. If a prerequisite course has been taken more than once, only the last attempt is counted for prerequisite GPA purposes. Grades of "D, F, and W" are considered unsuccessful attempts. Courses exempted or articulated do not carry points.

ENGL 1101 Composition and Rhetoric (3 Hours)	PSYC 1101 Introductory Psychology (3 Hours)
Any Degree-Level Math (3 Hours)	General Education Elective (3 Hours)
BIOL 2113 Anatomy & Physiology I (3 Hours)	Humanities/Fine Arts (3 Hours)
BIOL 2113L Anatomy & Physiology I Lab (1 Hour)	BIOL 2117 Intro Microbiology (3 Hours)
BIOL 2114 Anatomy & Physiology II (3 Hours)	BIOL 2117L Intro Microbiology Lab (1 Hour)
BIOL 2114L Anatomy & Physiology II Lab (1 Hour)	COLL 1500 Student Success (3 Hours)

Other pre-requisite courses listed above must be completed with a “C” or better by the END of our fall semester 2025.

The following link is available to calculate a prerequisite GPA: <http://back2college.com/gpa.htm>

**NOTE:** BIOL 2113, BIOL 2113L, BIOL 2114, BIOL 2114L, BIOL 2117, BIOL 2117L, and any degree-level math will not be considered if completed more than 5 years before admission to the ASN Bridge Program.

Failure to have completed ALL nursing pre-requisites will result in a delay in your acceptance date to the program.

- All ASN applicants are required to take and attain the required score on a Pre-Admission Assessment (TEAS) exam, prior to being accepted into the ASN Program. The ATI TEAS (Test of Essential Academic Skills) is a timed exam that includes questions in the following areas: English, Math, Reading and Science. Applicants are strongly encouraged not to take the TEAS exam until completing A&P I and II OR at least completing A&P I and some of A&P II. Applicants must also have a completed file prior to taking the TEAS exam (excluding current college coursework).

The SRTC Admission Office will only accept scores derived from testing conducted in an in-person testing environment. An in-person testing environment is one where the candidate's identity verification is performed through direct, face-to-face interaction without the reliance on web conferencing technologies.

The total adjusted individual TEAS score requirement for the ASN Bridge program is **64%**. Applicants will be allowed **two** attempts to meet the 64% required score. Any applicant that is unsuccessful on the first TEAS exam is strongly encouraged to remediate prior to retaking the TEAS exam. Several copies of the 2024-2025 ATI TEAS Study Manual are in our SRTC Libraries. The TEAS study book can also be purchased online at <https://atitesting.com/teas/study-manual>.

Any applicant that does not attain the required TEAS score of 64% after **two** attempts will not be considered for admission into the ASN Program. However, applicants can reapply to the ASN Program and take the ASN Pre-Admission exam again after waiting one year. At such time, the applicant will be allowed two attempts to meet the qualifying ASN Pre-Admission TEAS Assessment exam scores.

**The exam score is good for two years from the month and year of the exam.**

9. Applicants are subject to the competitive admissions selection process for these programs. The number of applicants admitted for any given semester is based on the number of available clinical spaces in the program as a whole and may vary by campus and semester. Openings are filled starting with the highest pre-requisite gpa.

If an additional competitive process is necessary due to the number of qualified applications, the following process will be used:

A total score will be calculated using 60% - Pre-requisite GPA and 40% - TEAS Total Score.  
(Applicants are allowed two attempts to take the TEAS – calculations will be made using the sum of the HIGHEST English, Math, Reading and Science scores).

**Tiebreaker:** In the event of a tie in the ranking, the student's original college nursing application date (with no break in enrollment) will be used.

**NOTE:** Students will be required to complete Health Examinations and a Criminal Background report upon acceptance to the program. A current American Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted.

<i>Request for Graduation (Associate of Science in Nursing)</i>				Date:			

\*Upon successful completion of RNSG 1960 eleven (11) semester hours will be granted for RNSG 1920, RNSG 1940, and RNSG 1950.

I acknowledge that I have received counseling and advisement as to the preferred course sequencing and acknowledge that it is my responsibility to ensure adherence to the schedule. Additionally, I am aware that after entering RNSG 1960, I have two years to complete the program.

A grade of "C" or above is required for successful completion of any course. However, a semester GPA of 2.0 must be maintained to remain in the program. See the Student Handbook.

I understand that if I vary from the prescribed course sequence listed above, I may be unable to graduate within the regular program length and may not be able to schedule courses as needed.
