2. **HESI Testing** - \$50

All Veterinary Technology applicants are required to take and attain the required scores on a Pre-Admission Assessment (HESI) exam, prior to being accepted into the Vet Tech Program. Qualified applicants will be required to take the following sections: Math, Biology, Chemistry, and English (Vocabulary, Grammar, and Reading Comprehension). Applicants are strongly encouraged not to take the HESI exam until completing Biology and Chemistry OR at least complete some of both courses.

Applicants will be allowed two attempts to make the required scores on each section. Any applicant that is unsuccessful on the first HESI exam (in any section) is strongly encouraged to remediate prior to retaking that

section(s) of the exam. Several copies of the HESI Admission Assessment Exam Review, 5th Edition (ISBN# 9780323582261) are on reserve in all SRTC Libraries for student use. However, the HESI review book is also available for purchase online at www.elsevier.com.

- Beginning FALL of 2021**, students entering in the VETT classes will also be required to have 60 hours of documented animal experience with a DVM or RVT prior to admission. Students are recommended to document 20 hours per semester while they are in their pre-requisites. Documentation paperwork may be received from any veterinary technology faculty and will be due to the faculty by the file completion date of **May 25, 2021**.

Notification of acceptance

Letters will be mailed on June 14, 2021 to notify students of their acceptance into the program contingent on their successful completion of the non-competitive pre-reqs by the end of Summer semester. The number of available openings in the occupational courses varies based on the number of clinic slots in the program as a whole and may vary by campus and semester. Openings are filled from the highest GPA and HESI scores. Program accreditation sets a specific number of admission seats for the Veterinary Technology competitive admission program.

Any student not admitted into the program may re-apply for the following year.

NOTE: Students will be required to complete and submit Health Examinations and a Criminal Background report upon acceptance to the occupational part of the program. Physical Examination forms will be distributed by the Program Chair at the mandatory Veterinary Technology Student Orientation. Students who have been accepted to the program will be notified of the orientation. Failure to attend the orientation without prior approval from program faculty will result in forfeiture of seat.
