Applying for Financial Aid

SRTC School Code: 005615

1. Know the School Year

Choose the school year you wish to attend from the chart below. This will ensure you submit the correct FAFSA for the terms you wish to attend.

| | | | | | |
|---------------------------|-----------|-----------|-------------|-------------|-----------------------------|
| FAFSA available 10/1/2020 | 2021-2022 | Fall 2021 | Spring 2022 | Summer 2022 | Use 2019 Income Information |
| FAFSA available 10/1/2021 | 2022-2023 | Fall 2022 | Spring 2023 | Summer 2023 | Use 2020 Income Information |

2. Collect Documents

Collect all necessary financial documents. Examples include Federal Tax Returns (1040), W2 forms, 1099s, unemployment statements and untaxed income statements, such as child support or disability statements. Students are required to provide their financial information on the FAFSA, and if applicable, financial information from their spouse, parent, and/or step-parent.

3. Create a Federal Student Aid (FSA) User ID and Password

All students should create a FSA User ID and Password. For dependent students, a parent will also need to create an FSA User ID and Password. Your FSA User ID and Password serves as your electronic signature on the FAFSA, and will be used each year to renew your application. Please visit <https://fsaid.ed.gov> to create your User ID and Password.

4. Go to www.fafsa.gov to complete your FAFSA. Select the correct school year from the drop down options.

Once you (and your parent) have your FSA User ID and Password, you can begin your Free Application for Federal Student Aid (FAFSA). Refer to the chart above to select the correct school year for the terms you wish to attend. If you (and/or your parent) are given the option to transfer your tax information to your FAFSA from the IRS, we strongly encourage you to USE THIS OPTION. Be sure to click Transfer for your tax information to be populated on your FAFSA. This may significantly reduce the time necessary to process your financial aid. Not all students or parents can use the IRS Data Retrieval Tool, for various reasons. If you are unable to use the IRS Data Retrieval Tool, you will need to manually enter your tax information as it appears on your tax document.

Am I required to provide parent information?

If you can answer “Yes” to one of the questions below, you do NOT need parent information to complete your FAFSA.

- Are you 24 years of age?
- Are you married? (If married, you must include your spouse’s income information)
- Do you have children or legal dependents that you financially support?
- Are you active duty military or a Veteran?

If you cannot answer “Yes” to one of the above questions, you MUST include parental information to complete your FAFSA. If extenuating circumstances exist where parental information is unavailable, the dependent student should contact the Financial Aid Office.
