

**MIDDLE GEORGIA STATE UNIVERSITY  
TECHNICAL COLLEGE SYSTEM OF GEORGIA  
MEMORANDUM OF UNDERSTANDING FOR  
COURSE ARTICULATION AGREEMENTS**

**Middle Georgia State University and Technical College System of Georgia agree as follows:**

1. Purpose: The two above-referenced entities are entering into a Memorandum of Understanding for Course Articulation Agreements to assist and promote the transferability of coursework in programs between the two entities.
2. Terms: Terms of the MOU will be effective March 4, 2025. Either party may terminate agreements under this MOU upon giving written notice to the other party. Such notice must be given one full semester prior to the agreement in question being canceled.
3. Conditions: The entities will agree to specific lists of courses in programs that will transfer from Technical College System of Georgia to Middle Georgia State University. This MOU assures the acceptance by Middle Georgia State University of the courses as listed in the subsequent agreements.

**For Middle Georgia State University**

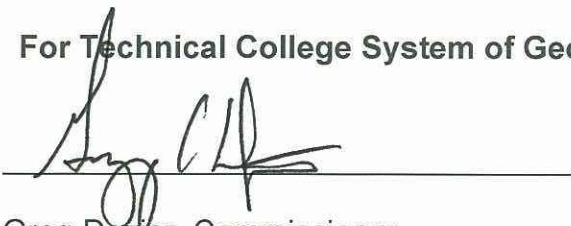

Dr. Christopher Blake, President  
Middle Georgia State University  
100 University Parkway  
Macon, GA 31206

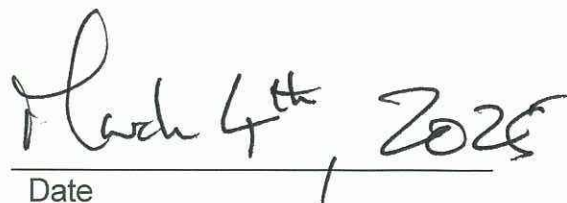

Dr. David Jenks, Provost  
Middle Georgia State University  
100 University Parkway  
Macon, GA 31206

**For Technical College System of Georgia**

Greg Dozier, Commissioner  
Technical College System of Georgia  
1800 Century Place N.E., Suite 400  
Atlanta, GA 30345

Date

Technical College System of Georgia and Middle Georgia State University  
Course Articulation Agreement  
AAS Computer Technologies– Bachelor of Science Information Technology

1. The joint program will be open to Technical College System of Georgia graduates with an AAS Computer Technologies Degree and only for candidates entering the online or face-to-face Bachelor of Science degree in Information Technology major at Middle Georgia State University.
2. Middle Georgia State University will accept the general education courses for transfer as detailed in the articulation agreement between the University System of Georgia and the Technical College System of Georgia. Courses will only be accepted from regionally accredited colleges and universities.
3. All Technical College System of Georgia courses transferred to Area F OR to major requirements toward the Bachelor of Science degree in Information Technology will be taught by qualified faculty as determined by SACS-COC Comprehensive Standard 6.2 Faculty Competence. When determining acceptable qualifications, primary consideration is given to the highest degree earned in the discipline. Consideration is also given to the individual's competence, effectiveness, and capacity, including as appropriate, undergraduate and graduate degrees, related work experience in the field, professional licensure and certifications, honors and awards, continuous documented excellence in teaching, or other demonstrated competencies and achievements that contribute to effective teaching and student learning outcomes.
4. Only Technical College System of Georgia courses with a grade of “C” or higher will be transferred to Area F or to major requirements toward the Bachelor of Science degree in Information Technology.
5. Qualified Technical College System of Georgia graduates will be required to fulfill all of the Information Technology program’s Area F requirements (18 semester hours), the program’s ITEC upper-level core requirements (21 semester hours), and a minimum of 18 semester hours of upper level ITEC electives.
6. MGA candidates for degrees must complete a minimum of 120 semester hours of academic work with a grade point of 2.0 or better calculated on all work attempted at MGA. The academic work must include at least 21 semester hours of upper division courses in the major field and at least 39 semester hours of upper division work overall.
7. Of the 40 semester hours immediately preceding graduation, at least 30 must be taken in residence at MGA. Any student admitted to MGA for the final year must be in residence for two semesters and must complete at least 30 semester hours in residence, including 21 hours of upper division work in the major.
8. All University System of Georgia and Middle Georgia State University requirements for graduation must be satisfied.

**BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY**

\*Or any Equivalent CIST course

\*\*Students would need to be guided to select the appropriate electives if they desire transfer.

For each program below there will be a minimum of 44 credit hours articulated.

- NS13 Networking Specialist
- CY13 Cybersecurity
- CP23 Computer Programming
- CS23 Computer Support Specialist
- IS23 Cybersecurity
- CSD3 Game Development
- DS13 Database Specialist
- ITP3 Information Technology Professional
- UD13 UX (User Experience) Design & Development
- IS43 Web Application Development
- IS53 Web Site Design/ Development
