TEAS Testing:

All Radiology Technology applicants are required to take and attain the required score on an in-person Pre-Admission Assessment (TEAS) exam, prior to being accepted into the Radiology Technology Program. The ATI TEAS (Test of Essential Academic Skills) is a timed exam that includes questions in the following areas: English, Math, Reading and Science. Applicants are strongly encouraged not to take the TEAS exam until completing A&P I and II OR at least completing A&P I and some of A&P II. Applicants must also have a completed file prior to taking the TEAS exam (excluding current college coursework).

Once a required total adjusted individual score has been determined applicants will be allowed **two** attempts to meet that score. Any applicant that is unsuccessful on the first TEAS exam is strongly encouraged to remediate prior to retaking the TEAS exam. Several copies of the 2022-2023 ATI TEAS Study Manual (v. 7) are in our SRTC Libraries. The TEAS study book can also be purchased online at

<https://atitesting.com/teas/study-manual>.

Notification

Letters & emails will be sent on Thursday, June 05, 2025 to notify students of their acceptance into the occupational courses of the program contingent on the successful completion of the highlighted pre-requisite courses with the required GPA by May 28, 2025 ***and*** non-highlighted pre-reqs (“C” or higher) of the non-competitive pre-requisites by the end of Summer semester.

The number of available openings in the occupational courses varies based on the number of clinic slots in the program as a whole and may vary by campus and semester. Openings are filled from the highest pre-requisite GPA. In the event of a tie, the student who applied to the program first will be admitted. Program accreditation sets a specific number of admission seats for the Radiologic Technology competitive admission program.

Any student not admitted into the program may re-apply for the following year.

NOTE: *Students will be required to complete Health Examinations and a Criminal Background report upon acceptance to the occupational part of the program. A current American Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted.*
