ASSOCIATE of SCIENCE in NURSING (A.S.N.) Generic Program Spring Semester 2017 – January 2017 ACCEPTANCE PROCEDURES

To be admitted to the SRTC Associate of Science in Nursing (A.S.N.) – Generic program you must meet admission requirements as outlined by the College. **NOTE: Admission to the program is academically competitive.** Prospective students will be ranked by score and the top candidates will be admitted to the Spring Semester 2017 (January 2017) class. Applications and admission requirements submitted after the posted deadlines will be held and reviewed for the next available class. Deadline for the January 2017 class is **SEPTEMBER 29, 2016**. Students will be notified by mail as to their acceptance status once all file evaluations are complete. **Acceptance/Denial letters will be mailed out: OCTOBER 27, 2016.**

ADMISSION REQUIREMENTS

1. Submit SRTC Admission Application and \$25 Application fee. *(If applicable, returning students are not charged a fee.)*
2. Submit proof of Age. *(Must be 18 years or older at the time of program entry.)* Either a valid state driver's license or birth certificate is acceptable.
3. Have **official** transcripts for high school diploma/GED **AND** all colleges, universities and/or technical colleges (transferable credit or not) mailed to the SRTC Admissions Office. Southern Regional Technical College, 15689 US Hwy 19 North, Thomasville, Georgia 31792
4. Have acceptable Admission Placement Exam (APE) scores (no older than 5 years) OR have successfully completed with a "C" or better transferable English and college algebra (College algebra must not be older than five (5) years) from a regional or national accredited college, university, or other postsecondary institution recognized by the US Department of Education at the time the coursework was completed. These courses must be the equivalent to the entry-level English and math required for our Associate of Science in Nursing program. **If the college algebra class is over five years, you will be required to retake the college algebra course.**
5. Minimum prerequisite GPA requirement: A minimum GPA of 2.8 is required for the prerequisite courses in order to meet admission requirements for the program. If a pre-requisite course has been taken twice – only the last attempt is counted for prerequisite GPA purposes only. Successful completion of a prerequisite course means making a grade of 'C' or better. You may not attempt any prerequisite course more than twice within a five (5) year period. *NOTE: A grade of "W" does count as an attempt.* Courses exempted and articulated do not carry points. ASN Generic Program prerequisite courses are as follows: **BIOL 2113, BIOL 2113L, BIOL 2114, BIOL 2114L, ENG 1101, & MAT 1111.**

***Scoring for pre-requisite GPA:**
40 pts = 3.7 – 4.0
35 pts = 3.2 – 3.6
30 pts = 2.8 – 3.1

****While a "C" is a passing transferrable grade, too many "C" grades will not give you a 2.8 pre-requisite grade point average.****

NOTE: BIOL 2113/BIOL 2113L, BIOL 2114/BIOL 2114L, BIOL 2117/BIOL 2117L & MATH 1111 will not be considered if completed more than 5 years before admission to the A.S.N. program.

6. Have an overall (cumulative) GPA (Grade Point Average) of **2.5** using your GPA from all previous post-secondary colleges.

***Scoring for overall GPA:** 35 pts = 3.7 – 4.0
 30 pts = 3.2 – 3.6
 25 pts = 2.8 – 3.1
 20 pts = 2.5 - 2.7

***IMPORTANT:** Our 2.5 cumulative GPA requirement means that a GPA will be calculated using **EVERY** course that was taken and used in GPA's at all of the applicant's previous colleges. See example below:

Example: Sally has attended 3 colleges – her stats are as follows:

College	Quality Points	Credit Hours	GPA
VSU	45	18	2.51
TU	23	13	1.76
SRTC	65	24	2.70
TOTALS:	133	55	2.42

Sally's cumulative GPA will not meet the 2.50 requirement – therefore she will not be considered for the upcoming class until she takes additional classes to improve her cumulative (overall) gpa.

7. **Additional points** may be earned by successfully completing the following courses (minimum grade of "C" – 2.0 GPA required) before posted deadlines.
- a. PSYC 1101 - Introductory Psychology - **5 points**;
 - b. BIOL 2117 & BIOL 2117L - Introductory Microbiology & Lab – **5 points**;
 - c. Humanities /Fine Arts course (ARTS 1101; ENGL 2130; HUMN 1101 **OR** MUSC 1101) – **5 points**;
 - d. Additional course required (as approved by program advisor) – **5 points**;
 - e. COMP 1000 - Introduction to Computers – **5 points**;
 - f. ALHS 1090 - Medical Terminology for Allied Health Sciences – **5 points**;
 - g. NAST 1100 - Nurse Aide Fundamentals – **5 points**;
 - h. PHLT 1030 - Introduction to Venipuncture – **5 points**;
- NOTE: Additional points will not be awarded for courses in italics that were completed more than 5 years before admission to the A.S.N. program.***
- i. Associate Degree or higher – **5 points**

*******POSSIBLE TOTAL: 120 points*******

8. All A.S.N applicants are required to take & attain the required score on the A.S.N. Pre-Admission Assessment (HESI) exam, prior to being accepted into the A.S.N. program. The A.S.N. Pre-Admission Assessment (HESI) exam is composed of the following sections: Math, Science (Anatomy & Physiology), English (Vocabulary, Grammar, and Reading Comprehension) and two Style/Profile sections. Applicants are strongly encouraged not to take the HESI exam until completing A&P I & II OR at least complete A&P I and some of A&P II before sitting for the exam. Applicants must also have a completed file prior to taking the HESI exam (excluding current college coursework).

Applicants will be allowed **two** attempts to pass the English, Math and Science (Anatomy & Physiology) sections with a composite score of "75" on each section. Any applicant that is unsuccessful on the **first** HESI exam (in any section) is strongly encouraged to remediate prior to re-taking that section(s) of the HESI exam. Several copies of the HESI ADMISSION ASSESSMENT Exam Review, 4th Edition (ISBN # 978-0-323-35378-6), book are on reserve in all SRTC Libraries for student use. However, the HESI review book is also available for purchase online at www.elsevier.com. The HESI exam score is good for three years.

Any applicant that does not attain a composite score of “75” on one or more sections of the HESI assessment exam after two attempts, will not be considered for admission into the A.S.N. program. However, applicants can re-apply to the A.S.N. program after waiting one year before re-applying to the A.S.N. program. At such time, the applicant will retake the A.S.N. Pre-Admissions assessment exam and meet the required scores for entry into the A.S.N. program. The applicant will again be allowed two attempts to meet the qualifying A.S.N. Pre-Admission HESI Assessment exam scores.

NOTE: Students will be required to complete Health Examinations and a Criminal Background report upon acceptance to the program. A current American Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted.

All students are subject to the competitive admissions selection process for these programs. The number of students selected for any given semester is based on the number of available clinical slots in the program as a whole and may vary by campus and semester. However, slots are filled from the highest grade point averages downward until the maximum enrollments are reached. There is no guarantee that a higher GPA will progress within a particular semester as all slots are competitive.

Tiebreaker: In the event of a tie in the ranking, the student’s current HESI score will be used as the tiebreaker. In the event that a student has taken the HESI exam more than once, the current HESI scores will be averaged and the average of the two scores will be used in the tiebreaker process.

Applying for Financial Aid 2016-2017

File your 2015 Federal Tax Return

- 2 weeks after you electronically file or 6 weeks after your paper file, you should complete your FAFSA online.

Go to www.fafsa.gov to complete your FAFSA

- Make sure you select the 2016-2017 year.
- Use the renewal FAFSA, if you completed an application last aid year because this will keep you from having to re-enter much of your information.
- SRTC's school code is 005615.

Create a FAFSA User ID and Password

- All students will create a FAFSA user ID and password on your first visit to the FAFSA website, www.fafsa.gov. Please make a note of your user ID and password, as you will need this information each time you login.
- For dependent students, both the student and a parent need a FAFSA user ID and password to electronically complete and sign the FAFSA.

Use the IRS Data Retrieval Tool

- If you are asked if you'd like to populate your FAFSA with your IRS data from your taxes, USE THIS OPTION. This can reduce the time needed to complete your financial aid awarding.
- There are some instances when the IRS data option will not be available due to the student's filing status. In these instances, you can manually enter your income data.

Do I need to provide parent information?

If you can answer 'Yes' to one of the questions below, you do **NOT** need parent information to complete your FAFSA.

- Are you 24 years of age?
- Are you married?
- Do you have legal dependents that you financially supported in 2015?
- Are you a Veteran?

If you cannot answer 'Yes' to one of the above questions, you **MUST** have parental information to complete your FAFSA. If extenuating circumstances exist where parental information is unavailable, the dependent student should contact the Financial Aid Office.

Financial Aid Priority Dates

Fall Semester 2016	July 11, 2016
Spring Semester 2017	December 1, 2017
