Accreditation

The Respiratory Care program at Southern Regional Technical College voluntarily withdrew its accreditation on February 8, 2016. The decision was based on the fact that the program outcomes for CRT credentialing success were below the 80% for a three year average (2011, 2012, 2013). Action plans are underway to correct these deficiencies. The next Respiratory class will begin August 2017, pending approval of the Letter of Intent (LOI) by the Commission on Accreditation for Respiratory Care (www.coarc.com). Candidates who plan to apply for the August 2017 cohort are encouraged to continue working toward the completion of the general education prerequisite courses, and meeting with the program advisor(s) routinely to maintain communication during this transitional period. If you have additional questions, please contact Tammy Miller at tmiller@southernregional.edu or at 229 225 5094.

As set forth in its Southern Regional Technical College Catalog and Student Handbook, Southern Regional Technical College (SRTC) does not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, or citizenship status (except those special circumstances permitted or mandated by law). The following persons have been designated to handle inquiries regarding the non-discrimination policies: Lisa Newton and Dr. Jeanine Long. At SRTC, the Title IX Coordinator is Lisa Newton, SRTC-Moultrie-Veterans Parkway, Building A, (229) 217-4132, lnewton@southernregional.edu. The Section 504 Coordinator for SRTC is Dr. Jeanine Long, SRTC-Thomasville, Building A, (229) 227-2668, jlong@southernregional.edu.

Notification

Students will be notified at the end of June of their acceptance into the program contingent on their successful completion of the non-competitive pre-reqs by the end of Summer semester. The number of available openings in the occupational courses varies. Openings will be filled from the highest combined score of GPA and PSB. In the event of a tie, the student with the higher PSB score will be admitted.
