

## AUTOMOTIVE CHASSIS TECHNICIAN SPECIALIST (ASG1)

# GAINFUL EMPLOYMENT DISCLOSURES - 2019

## AUTOMOTIVE TECHNOLOGY

This program is designed to be completed in:

21 weeks

If completed within normal time, this program will cost:

\$ 2500

*There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.*

Of the students who completed this program within normal time, the typical graduate leaves with student debt in the amount of:

This data is not provided because 10 or fewer students completed the program in normal time. However, SRTC does not participate in the federal loan program, so student debt amounts are typically \$0.

The following States do not have licensure requirements for this profession:

Georgia
