Library Services Mission/Purpose

The Library Department of Southern Regional Technical College (SRTC) provides access to learner-centered high-quality resources and services to support and supplement academic and occupational credit courses at the associate degree, diploma, and technical certificate of credit programs; continuing education opportunities; business and industry training; and adult education programs. Through traditional and distance delivery methods at multiple instruction sites, the Library supports workforce development.

This orientation provides an overview of services provided by the SRTC libraries. Please contact a librarian for more information.
